

Health & Safety Measures at Etisalat Academy

- 1 Facility Sterilization
- 2 Health Checks
- 3 Provisions of Protective Equipment
- 4 Physical Distancing
- 5 Occupancy Ceiling & Age Verification
- 6 Communication

Facility Sterilization

- Premises are cleaned and sanitized at the end of each day, in line with Dubai Municipality guidelines
- All classrooms and common areas of the premises are regularly cleaned & entrance areas are sterilized on daily basis
- Pantries are opened for use strictly for food and drink consumption maintaining a 2m social distancing
- Water dispensers are not allowed; disposable water bottles will be provided to all trainees
- Isolation rooms have been set up for suspected cases
- Provision of food and beverage is allowed, provided health & safety guidelines are followed
- No food buffets are allowed
- Food and drinks are only sold in disposable containers
- No gatherings outside training facilities are permitted

Health Checks

- Anyone entering the facility, including staff and visitors, will undergo temperature screening & checks

Provision of Protective Equipment

- All employees and visitors will wear masks at all times as soon as they enter the premises. The protective equipment is available at the building entrance.
- Hand sanitizers are installed throughout the premises.

Physical Distance

- A two-meter distance is maintained in all:
 - o Training classrooms
 - o Pantries / Breakout Rooms
 - o Common areas
 - o Work areas
- All common areas are floor marked to ensure appropriate distancing.
- Seating arrangements in the classrooms are modified in order to maintain distance between attendees
- No group activities are permitted

Occupancy Ceiling

- Occupancy ceiling of common areas and within office premises is set to 50%
- No gatherings are permitted
- No high-risk individuals are allowed to enter premises. These include people over 60 years old; people of determination; pregnant women; children under 12

Age Verification

- Only individuals aged between 12 and 60 are allowed to attend training or be admitted to facilities
- Individuals with chronic diseases are not permitted to attend training sessions

Communication

- All regulations are communicated to employees and visitors regularly
