Prince ® 2 Practitioner Certification Prep Course

Duration: 2 Days	Language: English
Course Delivery: Classroom	

Course overview

PRINCE2® is a process-based approach for project management providing an easily tailored and scalable method for the management of all types of projects. PRINCE2® is recognized as a world-class international product and is the defector standard method for project management throughout the world. The PRINCE2® method is in the public domain, offering nonproprietary, best practice guidance on project management. The PRINCE2® Foundation course will provide delegates with a detailed knowledge of the PRINCE2® methodology including seven processes, seven themes and seven principles central to running a project using the PRINCE2® method. The purpose of the Practitioner level is to confirm you have achieved sufficient understanding of how to apply and tailor PRINCE2 in scenario situations.
